

Freestyling, surfing, wave / wake jumping is prohibited and a 24 hour limit in any 30 day period applies to anchoring and mooring in the following areas:

- all canals
- all lakes
- Biggera, Coombabah, Currumbin, Loders, Tallebudgera Creeks and their tributaries
- Coomera River
- Hollywell Harbour and Paradise Point Boat Harbour
- Nerang River and all tributaries upstream of the Gold Coast Bridge
- Bundall flood channel between Ashmore Rd and Racecourse Rd
- within 100m of the shores of Sovereign Is and Ephraim Island
- between the Gold Coast Bridge and an imaginary line running east from the boat ramp near the Southport Olympic swimming pool

Freestyling, surfing, wave / wake jumping is prohibited:

- Within 100 metres of the Western Foreshore of the broadwater

Anchoring and mooring in this area is restricted to a maximum of seven days in any 60 day period at any location. The boat then must be moved at least one nautical mile from this position.

Anchoring and mooring in this area is restricted to a maximum of seven consecutive days in any 60 day period at one or more locations in this area. Once this period is up, you cannot return to the area for another 60 days.

These restrictions also apply to boats aground and stranded.

Anchoring and mooring time restrictions do not apply to boats moored to an approved buoy mooring, jetty or pontoon if you own it or have permission to use it. Anchoring or mooring boats within 30 metres of a buoy mooring, whether occupied or not, is prohibited.

Living aboard a boat in all Gold Coast waters is not permitted for more than seven consecutive days in any 60 day period, at or within three nautical miles of one place. However, all anchoring and mooring restrictions apply regardless of whether someone is living aboard the boat. This does not apply to boats moored in marinas with shower and toilet facilities.
