LADIES  RIV[®]

Introducing Karla Herbert-Evans

Karla gained the majority of her big boat experience through many Game Fishing Seasons with Riviera's "Bob Jones Sports Fishing Australia" the IGFA famed Peter B Wright, Lee Marvin's legendary Aussie Skipper "Brazzaka" (Denis Wallace) and many other Marlin Fishing Greats..... Karla's Nautical Training has been conducting "Women/Men Skippers on Water educational training sessions with Riviera's team of experts since 2008.

I am fortunate to have crewed for 12 years with some of the best skippers and crew in the business during the Black Marlin Game Fish Seasons since 1987. Working in all areas on many vessels including, live-aboard game boats, yachts, catamarans, mother ship cruise boats and their tender's i.e. outboard tillers, centre consoles, inflatable dive boats and jet skis.

Gaining my Open/Offshore Master Class 5 Captains ticket in 1995, I have worked locally with Riviera, private yachts and water taxis becoming familiar with our Gold Coast's abundant canals and waterways. Navigating day and night tours in the charter boat tourism industry from Marina Mirage for 3 years, Master onboard "Marcrista" a 50ft ocean yacht. Also as Master of a 60ft Catamaran "Pelican Too" that ran snorkel and dive charters in Aruba, Dutch West Indies, Caribbean.

My passion is game fishing and diving gaining my experience since 1985 either yachting, fishing or diving on the Great Barrier Reef and as crew onboard private dive vessel the 90ft MV "Mantaray" during Spring of 1995 & 1996 in the Soloman Islands.

Locally, I enjoy my involvement with the North Burleigh Surf Club as volunteer Surf Life Saver practising up to date Public Safety and Aquatic Rescues.

As a Boatsafe Training Provider since 2006, I have had the opportunity to offer comprehensive education to all new and experienced mariners. Giving you the skills and knowledge to confidently undertake basic navigation, boat handling and understand the safety requirements and your responsibilities to the law. As your professional trainer I am happy to pass on my knowledge and upon issue of your "certificate of competency" or "achievement award", I look forward to shaking your hand and enjoy the smile on your dial as you head off to experience your own nautical adventures.

For further education I recommend the Individual Advanced Practicals, tailored to your needs, Offshore Navigation Course & Chart Plotting and our specialised Riviera Nautical Training programmes for Women, Skippers and Kids.
